Weekly Newsletter

March 16, 2018

*"Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes the universe exist. Be curious. However difficult life may seem there is always something you can do and succeed at."*

Stephen Hawkin

This week we have learned the story of 'The Three Trees' in our worship time and thought about God's plan for each of us.

Welcome to Miss Kate Didsbury who joins us from Edge Hill University on a final teaching placement in Nicky Nook class.

### Lead learners

Well done to Nicky Nook class this week who have shown great teamwork and mathematics skills to complete the Sumdog Lancashire Contest with style.

Evie for her wonderful writing about snowy footprints and penguins.

Gabriella Saysell for enthusiasm, effort and learning in maths

Joshua Taylor - always working hard on every challenge and being a good friend.

The final Mad Science workshop took place this week. The children have had a fabulous learning experience, thanks to Mrs Mather for organising this club.

### Curriculum News

It seems hard to believe that we are almost at Easter already. This has indeed been a busy term! Next week we have our annual Easter egg challenge on Thursday morning when all children are invited to bring in a boiled egg to decorate and create into something amazing! Get thinking over the weekend! We will display all the entries on Friday in school.

Our term ends next Friday with a Eucharist service in church at 11am and end of term presentations to pupils. Children should be collected from school at 1pm.

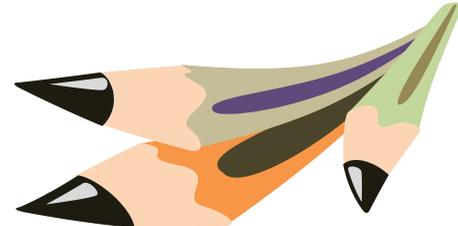

Swimming gala - this takes place next Monday in place of our usual swimming lesson. There is no swimming lesson next Thursday. Pupils representing school in the gala will already have received a letter.

### School Council news

School Council are organising a Bake Sale in aid of Stand up to Cancer. Pupils are asked to bring in home baked cakes for sale in school next Friday 23<sup>rd</sup> March. Cakes will be on sale at 1pm at the close of school.

All pupils have received 2 books of raffle tickets for the Bikes and Barrows Raffle. The Friends of Scorton School are part of the Bikes and Barrows event and we usually benefit from over £1000 of the money raised. Please try to sell the raffle tickets over the Easter holidays to friends, family and neighbours and return the completed raffle stubs and money to school in the first week back. Thank you for your support.

#### **After School Club next week:**

Monday - Easter crafts

Tuesday Easter egg hunt (following multi skills)

Wednesday - Easter crafts

Thursday - film night - Paddington 2 with hot dogs, popcorn and drink

It would be helpful if advance bookings could be made for all these events in order that we can ensure we have sufficient supplies!

#### **Twitter and Facebook.**

Please follow us on Twitter and Facebook to keep up to date with events in and around school.

Twitter Scorton\_CofE

Facebook <https://www.facebook.com/scortonCofE/>

#### **Early Birds' Club**

Early Birds' Club is available every morning from 8am (7.45am on Monday and Tuesday). In order to cover our costs we will be charging £2.50 per session or part session after Easter. Children will be offered fruit and milk as a snack.

#### **Pupil Progress meetings for parents and carers.**

If you were not able to meet your child's teacher last week please make arrangements to discuss your child's progress as soon as possible.

#### **DIARY DATES:**

Occasionally it is necessary to change the dates of some events. We do our best to provide as much notice as possible but ask for your understanding when events have to be changed. Thank you.
