Our value for this half term is humility.

Philippians 2:3-4

Do nothing out of selfish ambition or vain conceit.

Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.

A special welcome to Buddy Morrison who joined Year 1 this week. Thank you for welcoming Buddy and his family to our school.

Lead learners

Jessica Paterson for giving such a warm welcome to visitors to school and an incredible attitude to her maths work this week

Sam Pollitt for his excellent sporting teamwork and skills in tennis lessons this week.

Buddy Morrison for becoming a brilliant member of our class so quickly and making lots of new friends.
Finley Bateson for careful and accurate conversions of measure and calculation of mass in maths.

A special mention to pupils in Grizedale class who have been thinking hard this week about how to make our playtimes work better - in particular to Finn, Finley, Sam and William for planning football skills activities.

The school photographer attended this week to take the group and whole school pictures. These will be shared as soon as they are available. Individual pictures will be taken on Wednesday 6th June.
