*Our value for this half term is humility.*

**Philippians 2:3-4**

Do nothing out of selfish ambition or vain conceit.

Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.

### Lead Learners

Theo Byatt for an excellent piece of writing  
Orla Byatt for her excellent attitude to learning in the last few weeks - good concentration and listening skills

Ursa Webster for working really hard and applying maths skills to problems

Stanley and Matthew for their enthusiasm, team work and organisation in re-creating a large scale picture of Tutankhamun.

All children are invited to join us in the Rose Queen Procession on Saturday 5<sup>th</sup> May at 1pm in our walking tableaux of 'James and the Giant Peach.' Please let us know in school asap if your child is joining us so that we can get costumes sorted.

### Fundraising

Thank you to all our families who are already helping to run a stall etc. Even if you are unable to help on the weekend itself *please support us* by donating bottles, lucky dip prizes, tombola gifts etc. Thank you, this event raises over £1000 for school as well as a considerable amount for the village as a whole. This is a huge boost to our budget and helps to pay for the extra things and to minimise the costs of trips to parents.

**Bake! Bake! Bake!** - we sell a HUGE amount of cakes over the course of the weekend. Please help by bringing any cake donations to school on Friday 4<sup>th</sup> or to the Methodist chapel on Saturday 5<sup>th</sup>, Sunday 6<sup>th</sup> or Monday 7<sup>th</sup> mornings from 9am.  
Thank you

### Curriculum News

#### Welcome Wednesday

Springtime arrived in our Welcome Wednesday session this week! It was lovely to have some of our reception 2018 in school as well as meeting a few new faces. Welcome Wednesday sessions are held monthly and open to 0-4's. The next session is 23<sup>rd</sup> May 2018.

Work began on our **Daily Mile** track this week. The track will wind around the school grounds and take in the nature area, around the ball court, grass and playground. Research shows that children who take regular exercise learn better in school and go on to have healthier adult lifestyles. The work is funded through our Sports Premium Grant and a donation from the Friends' Association.

#### Internet Safety

It has come to our attention that a number of children are playing the game 'Fortnite'. This game includes mild violence and has an age restriction of 12. If your child is playing this game please read this guide:
