*Our value for this half term is truth and honesty*

## Lead Learners:

Alex Pattinson for his excellent standard of writing in the last few weeks.

Stephen Hudson for developing some fantastic spelling strategies this week.

Sophia Matichecchia for writing using finger spaces, capital letters and full stops.

We have had a small number of children with a sickness bug over the last 7 days and would ask that if your child has an upset stomach with sickness or diarrhoea please ensure they are kept off school until symptoms have passed and they have been well for 48 hours. In addition Public Health England also recommends extra vigilance in hand washing after using the bathroom and before eating or drinking.

**Right Start Road Safety** training will take place at Scorton on 4<sup>th</sup> July for three weeks on Wednesday afternoons for pupils in reception, Year 1 and Year 2. A letter with details will be sent shortly.

## Supper Run

Jack Horner and Friends of Scorton School have organised our second annual Supper Run on Thursday 19<sup>th</sup> July at 19.15pm. This is a 4.75 mile fun run part trail, part road starting and finishing at school. Medal and hot pot supper for all finishers. Money raised from the entries goes to the Friends of Scorton School. Entry is £9 per runner (advance) or £11 on the day. Tel 07886786246 or enter online UKROADRACES.INFO

As well as runners we need volunteers to marshal this event. Please speak to Mrs Hesketh or call at the office if you can help at all.

## Curriculum News

### French Day -

Thank you to everyone for making our French day a success - starting with French breakfast and followed by lots of French games and activities to promote learning a foreign language this afternoon. Thanks to Mrs Peters, our subject leader for French, for organising the day.

The trip to Myerscough college this week was a great success with the children learning about living things and their habitats both on the farm, the small animal centre and plant world.

Thanks to the Friends' of Scorton School who supported the costs of this trip.

Key stage 2 children will be having a science day next week in school with a visiting science teacher.

### Sports' News

Well done to pupils who represented the school at cross country and rounders this week.

The cross country team did particularly well with Stan Y5 coming second overall for the boys and Tallulah Y6 coming first for the girls. The team had a combined score which saw them placed second across all the schools competing. Well done everyone and thanks to parents for providing transport and support to the team.

The final sports' tournament of the year is athletics on 4<sup>th</sup> July.

### Holiday Clubs:

Smash Sports - multi activity club are running holiday camps in July and August at Garstang Community Academy 9am - 4pm £85 per week for children aged 8-13
