Lancashire Library Service will be launching their new Summer reading programme on Saturday 30th June. This year the scheme is called The SCART Club and children will be invited to sign up at any Lancashire Library, for FREE. There is significant evidence to demonstrate that reading over the Summer helps maintain and in some cases improve reading levels from one school year to the next.

SCART Club stands for Science, Culture, Active, Reading and Technology and 11 new characters have been created as members of the club; 10 boys and girls and the club's mascot Scart Squirrel. Children from 4 to 13 years old are invited to come and discover these new characters and take on their challenges at the library.

There will be activities taking place at all libraries throughout the summer holidays. For further details please pop into Garstang Library or visit:
