Our value for this half term is truth and honesty

Lead Learners:

Bebe and Stan for their excellent playleaders session teaching younger pupils tennis skills.
Sam Pollitt for a great retelling of a myth
Joseph Anderton for excellent learning skills in all subjects.
Lucy Cunliffe for an amazing attitude to all her work.

Thank you to years 5 and 6 who entertained us with a concert on Wednesday afternoon which provided a whistle stop musical tour of their year of learning to play brass instruments.

Thanks to Year 6 for leading all our school worship this week. There have been some excellent dramatic retellings of Bible stories for which the children had made props and costumes. Lancashire Library Service will be launching their new Summer reading programme on Saturday 30th June. This year the scheme is called The SCART Club and children will be invited to sign up at any Lancashire Library, for FREE. There is significant evidence to demonstrate that reading over the Summer helps maintain and in some cases improve reading levels from one school year to the next.

SCART Club stands for Science, Culture, Active, Reading and Technology and 11 new characters have been created as members of the club; 10 boys and girls and the club's mascot Scart Squirrel. Children from 4 to 13 years old are invited to come and discover these new characters and take on their challenges at the library.

There will be activities taking place at all libraries throughout the summer holidays. For further details please pop into Garstang Library or visit:
